Island Trips

One of the most popular things to do while in Cartagena, is to visit the Islands. Visitors spend at least a day enjoying white sandy beaches, and water sports like snorkeling, kayaking and diving.

Some of the most popular islands are The Rosario Islands, Playa Blanca in Isla Baru, Bendita Beach, Carolina island, Cholon (Party island), Isla Mucura (overnight stay), and Isla Naranja among others.

You can also visit beach clubs in Tierra Bomba 15 minutes away from Cartagena, such as: Blue Apple, Namaste and Eteka Beach

Island Trips Tierra Bomba

Tierra Bomba is an island just 15 minutes boat ride from Cartagena, and it offers forts, nature, and beautiful beach clubs.

This island has increased its popularity in recent years, offering another alternative to visitors, despite not having the beautiful crystal clear waters of Rosario islands.
